Keynote Speaker

Mr. William King
Assistant Commissioner of Education

Mr. William King began his career in education as a teacher of physical education in Roseland elementary school and then served as principal in Harrison Avenue School in Roseland. Mr. King served as Superintendent of Frelinghuysen Township School District and Hampton School District and Warren County Superintendent of Schools. As Assistant Commissioner for Division of Field Services, Mr. King provides oversight to the twenty-one County Offices of Education. The division is responsible for implementation of state rules and regulations. Field Services acts as the communication link between Department of Education offices and districts, via the county offices.

Mr. King is a graduate of West Chester State College with a Bachelor of Science degree in health and physical education. He holds a Masters of Arts degree in elementary school education from William Paterson University. Mr. King also holds certification in educational administration from Montclair University and Fordham University.
