

SHARE TIME PROGRAMS FOR STUDENTS WITH SPECIAL NEEDS

The Morris County School of Technology is committed to serving students with special needs. Accordingly, five programs are dedicated to meet these needs. The five programs respond to industry needs and are designed to equip the student with the skills he/she will need for gainful employment after graduation. These programs are available to classified students enrolled in public secondary schools who are 15-20 years of age. A complete set of Child Study Team records must accompany the application.

Applications are available from the local high schools. Any additional questions may be directed to (973) 627-4600 Ext. 238.

AUTO BODY/COLLISION REPAIR

Grades: 10-12

Within this two-year program, students will study basic auto body repair, painting, welding, restoration, panel replacement, frame damage, repair, custom painting and the use of all tools and materials. Graduates are employed as technicians, painters and apprentices.

AUTOMOTIVE SERVICE TECHNOLOGY I AND II

Grades: 10-12

To meet the needs of a changing technology, this exciting one to three year program offers students the opportunity to master the needed skills to pass the Automotive Service Excellence Certification (ASE) Examinations in Braking Systems. Training by ASE certified instructors is offered in basic automotive systems, braking systems, chassis and steering, select shop skills and ASE test preparation.

BUILDING CONSTRUCTION

Grades: 10-12

This program provides hands-on training in all phases of the construction industry. Instruction begins with the use of hand and power tools. Units of study include carpentry, electrical wiring, plumbing, sheet rocking and roofing. Upon completion, students may elect to pursue advance training in one specific trade area.

BUILDING & GROUNDS MAINTENANCE SERVICES

Grades: 10-12

This course includes the study of interior and exterior maintenance of a building and the surrounding grounds. Students gain knowledge of basic electricity, plumbing, carpentry, landscaping, painting, general cleaning and maintenance.

FOOD SERVICES

Grades: 10-12

The program is designed for the special needs learner who may indicate an interest in Culinary Arts but lacks the requisite academic skills. It will specifically prepare students for employment in food service occupations in hospitals, corporate cafeterias, banquet halls, nursing homes, hotels and restaurants. Students are trained in basic food sanitation, preparation and service. Occupational training is for entry level positions in most kitchens.

RETAIL/SUPERMARKET CAREERS

Grades: 10-12

This hands-on program trains students for all of the jobs found in retailing careers. Units of instruction include cashier, produce, baking, sales techniques, marketing, customer service and grocery. Students operate the supermarket/retail outlet and produce a salad and soup bar and marketable products and services. A wide range of employment is available within the many supermarket and retail stores in the County.
