May 23, 2018

Dear Parents/Guardians:

As you know, the Morris County School of Technology was closed on May 16<sup>th</sup> due to an unexpected power outage. There are no emergency closing days remaining in the current school year calendar. Therefore, as stated in my previous correspondence to you of March 22<sup>nd</sup>, we will make up this day by adding to the end of the school year.

The last day of school will now be Monday, June 25<sup>th</sup> with a 12 noon early dismissal. It will be an A day. There will be no afternoon share-time classes.

Thank you for your flexibility this year with the unpredictable weather and the subsequent closings.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott Moffitt".
