

AUTO BODY & COLLISION REPAIR

Share Time Program for High School Junior and Seniors

The Auto Body and Collision Repair program exposes students to the essential concepts and principles of automotive structural repair and paint refinishing. Students learn knowledge and skills required to perform high quality, comprehensive, and safe collision repairs using industry recognized I-CAR education programs. Students have the opportunity to earn I-CAR and NATEF certifications and credentials.

PROGRAM OVERVIEW

- Tool and Shop Safety
- Structural Repairs
- Paint Refinishing
- Restoration
- Custom Painting/Custom Finishes
- Paint Mixing Formulas
- Estimating Fees
