CCM Accessibility Services & Home District Responsibilities

- Students with IEP/504's will work with their year one professors on accommodations/modifications, as year one Professors are also MCVSD teachers.
- Students will also be registered with County College of Morris's Office of Accessibility Services for year two courses for accommodations/modifications, as the year two courses are not taught MCVSD teachers but by CCM professors.
- Students applying to the programs at CCM should be able to self advocate as the programs are college level courses.
- Sending District will provide MCVSD with the applicants most recent IEP/504 and supporting Educational & Psychological evaluations for the Accessibility services application.

CCM & MCVSD Share Time Program Benefits

- Tutoring Center for Math, Science, and English
- Full benefits of being a student at CCM (use of Library Resource Center, Fitness Center, Student Center, Clubs, Activities, Parking Privileges)
- Internships
- Career Counseling, College Counseling
- Direct line to Associates Degree!

NJ High School Graduation Requirements

- Each semester the programs courses fulfill 20 credits of the CTE requirement for high school graduation.
- MCVSD will offer and transcribe 2.5 credits for the successful completion of the online course MoneySkill, and will issue a grade of *Pass/Fail* to fulfill the Personal Finance Literacy graduation requirement, if needed.
- Each 3 credit CCM course in EDAM/CYBER will yield 2.5 High School credits.

Calendars, Attendance & Orientation

- Year 1 students: Follow MCVSD's School Calendar and [Attendance Policy](#)
- Year 2 students: Follow CCM's academic calendar and attendance policy per Professors Syllabus
- There will be a mandatory orientation for all accepted applicants in August. Information and dates will be provided after acceptance.

Transportation / After School Clubs / Athletics in Home Districts

- Transportation is provided and arranged by your home district to and from the program.
 - We are your transportation “*Advocate*”
- Students need to determine if they can properly manage after school activities and the programs.
- We support after school activities but students must be able to stay on top of their assignments and studying
- CCM allows 17 year old to drive to campus, Home District must be in line. A parking permit will need to be obtained.

Option II

Earn an Associate of Arts Degree from CCM while enrolled with one of
MCVSD's Satellite Share-Time Programs

Terminate with a HS Diploma and an AAS Degree from CCM

- Requires:
 - Rigorous, year-round coursework
 - Home-district approval for Dual Credit enrollment
 - Academic clearance through CCM's Challenger Program placement metrics

Grading Metrics

- MCVSD weights all college courses with Honors metrics, yielding a 5.0 for an A in a 3 credit college course (transcribed as 2.5 HS credit hours).
- Individual school districts will vary.

Who Should Apply

- Students who are capable of taking college-level courses
- Students who are self-directed and can navigate a college campus
- Students who know the program focuses on career interests and are interested in pursuing a career in this area of study
- Students who are mature enough to self advocate and keep up with the workload
