12. Approved the following resolution:

    WHEREAS, the Morris County Vocational School District, in the County of Morris, New Jersey, (the “Board”), desires to advance a “School Facilities Project,” generally consisting of a partial replacement of the District’s Building #2 roof and in so replacing the existing roof due to its age and condition, will improve the efficiency and reliability of the systems on campus; and

    WHEREAS, the project was submitted to the New Jersey Department of Education and is further defined as DOE Project Number 3365-050-19-5000; and

    WHEREAS, the Board received notice that this project is eligible for 40% funding through New Jersey Debt Service Aid. That this project’s Preliminary Eligible Costs (PEC) of $265,000.00 provide for aid funding from the State of New Jersey in the amount of $106,000.00.

    WHEREAS, the School District, upon receiving the PEC letter, must make the following elections: (1) State funding source, and (2) acceptance of the PEC as the Final Eligible Costs (FEC) and this notice must be returned to the Department within (30) thirty days of receipt.
WHEREAS, the project does not require additional "educational adequacy review," and therefore can advance the project including UCC compliance as required.

NOW THEREFORE BE IT RESOLVED, that the Morris County Vocational School District Board of Education does hereby accept the PEC amount as the FEC amount and the stated funding source for the local share are the proceeds from the county bond.

That the Architect, School Business Administrator, and Board Attorney as applicable, are hereby authorized to undertake all related further actions necessary in connection with the project.

13. Approved the following resolution:

WHEREAS, the Morris County Vocational School District, in the County of Morris, New Jersey, (the "Board"), desires to advance a "School Facilities Project," generally consisting of paving upgrades to the District’s parking lots and in so upgrading the existing units due to their age and condition, will improve the efficiency and reliability of the systems on campus; and

WHEREAS, the project was submitted to the New Jersey Department of Education and is further defined as DOE Project Number 3365-050-18-6000; and
