

Wednesday, March 10, 2021

Dear Denville Campus Share-time Families,

We are excited to announce that starting the week of March 15, 2021, we are eliminating virtual Wednesdays and all Denville Campus share-time students will be able to attend in-person instruction five days a week. All CDC/NJDOH social distancing guidelines will continue to be followed. All current attendance protocols will remain in place.

Our decisions regarding in-person instruction are driven by the health and safety of all those involved; therefore, decisions are fluid and we may be forced to make changes between now and the end of the school year. As always, we will communicate with you via email, our website, and by using the Honeywell Alert system if/when necessary.

This communication will be shared with our sending district colleagues including transportation coordinators.

If you have any scheduling questions, please reach out to our guidance department via email or by dialing 973-627-4600 extensions 230 or 238.

If you have any health-related questions, please reach out to our health office via email or by using extension 241.

If you have any administrative questions, please reach out to the main office via email or by using extensions 260, 226, or 223.

Respectfully,
The Administrative Team
