Dear Full-Time Denville Campus Parents/Guardians,

On behalf of the entire staff, we sincerely appreciate your unfailing patience and support. The purpose of this letter is to ask you to complete this [marking period four survey](#). The survey data will be a factor in determining day-to-day school operations throughout the remainder of the school year. Therefore, we are seeking to determine who plans on attending school in our current hybrid model (in Cohorts), in our all-virtual model, or who would like to attend school in person every day **(IF offered)**. For your convenience, we asked that you watch this brief [video](#).

#### **Who should complete this survey?**

Parents/guardians of full-time Denville campus students **ONLY**. This **excludes** seniors attending CCM, Centenary, or other post-secondary programs.

- Please complete one survey per student.
- Your responses to this survey are final.
- Students cannot move from one model to another.

#### **When should the survey be completed?**

Please complete this survey as soon as possible but no later than 3 p.m, Wednesday, March 24, 2021.

- If you do not complete this survey, your student(s) will "default" to their current mode of instruction.

Survey data will be collected and analyzed **internally**. Individual survey data will be kept confidential and will **not** be shared.

All decisions are driven by the health and safety of everyone in our school community. All social distancing guidelines and all previously established COVID-19 protocols and procedures will continue to be followed regardless of the outcome of this survey.

We will not merely endure these challenging times together; we will prevail and thrive.

Respectfully,  
The Administrative Team
