Your school is using a computerized point of sale system in the cafeteria. Parents can make payments online or send in payments to the cafeteria using the coupon below.

This system allows for account purchases of meals and snacks.

Parents may pay in advance for purchases.

All students will be issued a Personal Identification Number (PIN) which corresponds to their food service account and which should be kept confidential.

Students still have the option to pay cash on a daily basis.

Any prepaid meals left from the previous year will automatically be put on the student’s account.

Any remaining funds at the end of the school year are available for use next school year or may be transferred to a sibling’s account.

Graduating seniors with remaining balances less than $20.00 at the end of the school year will not be refunded.

PAYMENT COUPON—For use when sending payments in to the school

District Food Service
PAYMENT FORM

Student Name__________________________________________________________

Grade _______ Homeroom or Teacher________________________________ Date_______
