August 4, 2023

Hello First-Year Denville Campus Share-Time Program Families,

August is here, and I hope you’re enjoying the beautiful weather. While no one likes homework, please be reminded to complete the mandatory summer tasks per my July 20, 2023, correspondence if you haven’t already done so.

- Per our Health Office: Parents/Guardians must complete and email the following documents to: nurse@mcvts.org as soon as possible but no later than Friday, August 25, 2023. This information is essential to ensure continuity of care on all our campuses or field trips. Failure to provide this information may result in your student not being allowed to engage in hands-on learning activities in our shops.
  - Health Assessment Questionnaire
  - Emergency Reference Card
  - Medical Record Release Form
  - If your child has a history of anaphylaxis, asthma, diabetes, seizures, or other medical condition necessitating a health care plan, please provide us with a copy by September 15, 2023.
  - If you have questions or need assistance, please contact Mrs. Carol Maffei, RN, CSN (full-time) or Mrs. Rebecca Reinfeld, RN, CSN (part-time) by email at nurse@mcvts.org or phone: (973) 627-4600, ext. 241.

- Please create your Parent Genesis Accounts by following the instructions emailed to you. Please check your email and SPAM folder. Please contact Guidance at 973-627-4600, ext. 238 or 230, for login assistance. You can also email Guidance at genesishelp@mcvts.org.

Special Instructions for our first-year cosmetology students: Cosmetology kits can be purchased on the My School Bucks site by clicking here. Once on the site, click ‘login’ in the upper right corner, then click ‘register now.’ Once logged in, click ‘School Store’ in the top right corner, then click ‘cosmetology kits.’ The module will let you order directly from there. Please place your order by August 15, 2023. If you need financial assistance, please contact Lynn Mankofsky at mankofskyl@mcvts.org or 973-627-4600, x223.

Please continue to check your inbox, the Genesis Parent portal, and our website for critical updates and information. Here are the links to our 2023-2024 District Calendar and Share Time Connection webpage. Finally, I encourage you to review my Welcome Reception Presentation.

We are looking forward to having a productive and rewarding school year together!

Respectfully,

Principal of High School Programs
